

Miram Laundry visited our school this fall to share her amazing new picture book called “I CAN” with our Primary and Junior students. Miriam took the students on a journey through her own personal writing process and showed the children how the best ideas for writing come from your own personal experiences. Miriam’s creative and memorable presentation left the students with the empowering message that positive thinking and believing in yourself can help you achieve your goals. Thanks Miriam. We look forward to your next book, and another visit!
